# IS YOUR HEAD IN THE CLOUDS WHEN IT COMES TO UNIQUE DESIGN?

Perfect.

We can help you shape sky-high  
visions into just-right solutions.

DEAK'S PEACH

Magic Mirror

**man  
in the  
moon** Surface features that  
create the face known as  
the "Man in the moon"  
are impact basins on the  
moon that are filled with  
dark basalt rocks.

# THE MOON

**12** Human beings have  
walked on the moon

The moon's weak atmosphere,  
called an exosphere, and its  
lack of liquid water cannot  
support life as we know it.

**lunar  
phases**

The lunar phase changes  
as the moon orbits the  
Earth and different  
portions of its surface  
are illuminated by the  
Sun.
