## AquaArc with Acrylic

Fluid in design, a water shower effect flows from the top of an angled tubular structure. Although the decorative spray fountain structure itself is slightly bent, the water spray remains level and falls directly onto users below. Decorative acrylic accent panels offer a distinctive look while casting a cool reflection on the ground.

<b>Material Options:</b>	Stainless Steel
<b>Dimensions:</b>	9' 0" x 0'6" (2,74 m x 0,18 m)
<b>Splash Zone:</b>	15' 0" Dia. (4,57 m Dia.)
