PalmSpring

Create your own tropical paradise with one—or a whole bunch—of these themed structures. A heavy crown jet nozzle effect springs from the center of the PalmSpring's downward-facing palm leaves, splashing users below. Decorative acrylic accent panels offer a distinctive look while casting a cool reflection on the ground.

Material Options:	Stainless Steel
Dimensions:	10' 0" x 7' 0" (3,05 m x 2,13 m)
Splash Zone:	15' 0" Dia. (4,57 m Dia.)
